Not unlike many an immigrant story, our story begins in Palermo, Sicily & the desire for a father to see his son obtain a better life. Giovanni Spatola was not a chef, nor did he specialize in culinary talent. The art of cooking was a gift from Rosa, his wife, who came from a long lineage of skilled chefs. With the encouragement of his father, Rosario Spatola left Sicily at 18, upon completing culinary school in Italy & arrived in New York City. With long hours, a strong work ethic & working in a variety of New York Pizzerias, Rosario became a master craftsman at the art of the perfect New York Pizza. After sixteen years in New York, he relocated to Sunnyvale, California & opened Giovanni's Pizzeria, with the same work ethic & desire to make the better life that his father had instilled upon him as a young man.

Giovanni's Pizzeria is proud to be an independently-owned & operated family run business since 1995. Being a family run operation allows us to use the best ingredients without compromising quality.

Come by on a Saturday & you are likely to see the next generation of Spatolas, the twins, Giovanni & Anastasia, learning to make pizza or bussing a table.

Welcome to the Family & Buon Apetito! The Spatola Family
